**People Inc. now offering foreclosure prevention counseling**

**ABINGDON, Va.** – People Incorporated of Virginia is now offering foreclosure prevention counseling to homeowners in Buchanan County, the City of Bristol, Clarke County, Dickenson County, Frederick County, Page County, Russell County, Shenandoah County, Warren County and Washington County.

The free counseling service will assist homeowners who may be in danger of defaulting on their mortgage or foreclosure on their home. Any homeowners in this service area who are behind on their mortgage may be eligible for this service.

“The foreclosure process can be intimidating,” said Jamie Gross, senior housing counselor at People Inc. “We help homeowners navigate this process and negotiate with the lender to help them keep or sell their home, depending on the homeowner’s goal.”

Foreclosure prevention counseling through People Inc. is funded by a grant from Virginia Housing. Homeowners interested in mortgage default or foreclosure prevention counseling should contact Jamie Gross at [jgross@peopleinc.net](mailto:jgross@peopleinc.net).
